

Workers' Compensation Attending Physician Panel For University Academic Division Faculty and Staff

The University of Virginia is offering the following Attending Physician Panel in compliance with Section 65.2 of the Virginia Workers' Compensation Act. The below panel is to be used by faculty and staff in the University's Academic Division (Agency 207). For information about the attending physician panel for employees in the Medical Center (Agency 209), questions should be directed to the Medical Center's Employee Health Department.

Injured Academic Division faculty and staff who have filed for Workers' Compensation benefits must choose one physician for treatment of claimed, work-related injuries. Failure to choose one of the physicians listed below may bar compensation benefits, including the cost of medical care. Employees' Primary Care Physicians are **not** authorized as attending physicians on UVA's Panel.
